**EXEMPTION APPLICATION APPROVED**

**Re : Fight 4 Cure Inc**

Hello,

The Office of the Alabama Attorney General has reviewed and approved your organization's request for exemption from Alabama's Charitable Organization registration requirement. This is a one-time application, and does not require additional annual filings. Unless the organization should change its structure in such a way that negates its exemption, it has no further obligation to the Attorney General's Office in this regard.

Please contact me directly with any questions concerning this matter.
